EXECUTIVE LEADERSHIP BIOGRAPHY

K. V. Mukesh Babu, B.Tech., serves as Director and Chief Financial Officer (CFO) of BBI Power. As a technical graduate, he has been deeply involved in this Power Sector initiative alongside Mr. Subramanyam from day one. In fact, he is one of the key instrumental leaders who motivated the vision of stepping into the large-scale Power Generation project business. He has been an active professional throughout the total evolution of the project, identifying the right resources for the overall requirements of the Power Project. Crucial segments, including licenses and permissions with statutory governmental and non-governmental bodies, have been tactfully spearheaded through his technical and regulatory expertise. As CFO of the company, his strategic involvement in financial governance and capital allocation to achieve the organization's objectives remains highly accountable, steering BBI Power into the future with vigor and vibrancy.
